Mr Graeme Heal

Mandurah Jetties
187 Breakwater Pde,
Mandurah, WA, 6210.

To Whom It May Concern:

REFERENCE

In 2008/09 Mandurah Jetties were contracted by Mirvac (WA) on THE POINT Mandurah development to supply and install new steel piles, beams and timber to approximately 1000 m² boardwalk along the foreshore of Manjar Bay at a value of approximately \$0.5m, and are currently in the process of reconstructing a pre-existing historical jetty.

The commercial requirements of the site demanded that Mandurah Jetties meet all of Mirvac's OHS&E systems and reporting standards through out their contract whilst meeting a meticulous co-ordination program of the boardwalk works to enable other stages to progress simultaneously.

Should you wish to discuss further please do not hesitate to contact the undersigned on 08 9424 9957.

Yours sincerely
Mirvac (WA) Pty Ltd
